ROB TORNOW: As you know, we lost a great one with Rob's passing. Our Flight will have a scholarship fund in Rob's name. Stand by for more details. Note: We received many thanks for the outstanding Daedalian presence at Rob's funeral. Thanks to all who attended and thanks to those who tried but could not be there.

THANKS TO JOE BASILONE & RANDY SAGE: We are always looking for members to raise their hands to help. Joe & Randy raised their hands and volunteered to develop a Flight Roster with photos. When complete, this roster will be on our website's "Secure" tab. Standby for "mug shot" and personal bio information requests from Joe & Randy.

FLIGHT OFFICERS: We plan to incorporate new Flight Officer "duel positions". I.e., a 'tag-team' – two guys alternating one job. With only 6 meetings a year, that would mean most jobs only require 3 days a year from your busy schedule. Don't you think you could raise your hand for a job? Sure, you could. Just do it...! Call or email Bill Rial and let him know you would like to help.

Note: Treasurer, Ron Harris, has never participated in "Hangar Flying". He could enjoy this event if you would volunteer to be his assistant. Come on, you can do it! Tag-team with Ron and let him socialize a bit before a meeting or two.

NEED A DELTA PILOT VOLUNTEER: We could sure get a lot of exposure and new members if one of you Delta toads would volunteer to coordinate with the Atlanta Chief Pilot's office to place a nice poster advertising our Flight in the ATL pilot Ops lounge. Contact Bill Rial if you want to help. **Note:** Does this request sound familiar? It should..., it was in the last newsletter. None of you Delta dirt bags contacted Rial. Just do it...!

B&Bs FOR VETS (From John Christ): B&Bs and Inns are providing free rooms on Wednesday, November 10, in observance of Veterans Day, November 11, to honor servicemen and women currently serving or who have previously served their country. For a list: <http://www.bnbsforvets.org/index.html>
